Terms and conditions:

Payment and cancellations: Payment is due upon completion of service in the form of cash or check. A \$50 retainer fee will be required for any event to secure the time and the date. Once we have received your signed contract and retainer fee, your slot will be held. The retainer fee will serve as a cancellation fee in case the event is cancelled with less than two weeks' notice. Cancellations should be notified in writing. There will be a \$25 charge for returned checks. Should it be necessary to cancel a booking, re-booking may be subject to date/time availability of MetamorFaces.

Travel: We service mainly Dane County. A travel fee of \$1 per mile will be charged for bookings beyond a Thirty-minute drive from the artist's home.

Age: Face painting is not recommended for children under three years old because their skin is so sensitive and susceptible to irritation from cosmetics. MetamorFaces and the artists are not responsible for reactions should a parent insist that their child be painted.

Safety First: For sanitary reasons, we reserve the right not to paint anyone with a bad cold, runny nose, flu or any COVID-19 symptoms, as well as cuts, acne or open sores on the face. In some cases, the artists may offer to paint another area of the body. Brushes, sponges and all other supplies are cleaned and sanitized before each gig and during the painting period. MetamorFaces uses FDA approved paints and cosmetic grade glitters that washes off with soap and water. **By signing below, I hereby forever release and waive my right to bring suit against MetamorFaces LLC and its owner, employees, volunteers and other representatives, in connection with exposure, infection, and/or spread of COVID-19 and other viruses, related to utilizing MetamorFaces' services and premises.**

Breaks: After working for two hours, a ten-minute break could be taken. Other brief breaks may be taken, as needed, to sanitize the face painting station. The artists will require access to lavatory facilities and water and will need to be permitted to use them when needed. It is expected that all of the artist's supplies will be kept secure during bathroom and water breaks. At no time will any guest be permitted access to the artist's supplies/equipment without expressed permission by the artists, even in their absence.

Ending Time: The artists are only obligated to paint for the duration indicated on the contract. If the contract states that the artist will paint for up to two hours, this means that they may end before the two hours if the group is very small and everyone is satisfied. The artists may have to continue painting the same kids if they want more, or paint adults, until they are all satisfied. Up to two hours may also mean that the client wants the artist to paint for only one hour, or for 1.5 hours; the price will be the same. On the other hand, if the client requests that the painting continues beyond the duration of this contract, the artists reserve the right to decline the extension of time without penalty. Extensions are billed at the regular package cost per hour paid by the client at the time of the request, or at a cost of \$10 or more per face (depending on the package and how detailed the requested design is) paid by the guests with the client's permission, only if the artists are willing and have the extra time available.

Please fill out EVERY field on this contract, otherwise it will be returned to you.
If you have any questions, please call me at (608) 206-2880. Thanks!

Working Conditions: The client is liable for damages and the artists reserve the right to discontinue services if faced with a situation that poses a threat to them, their supplies and/or property and the client fails to properly remedy this situation to the artists' satisfaction. Adverse conditions include, but are not limited to: extreme weather, a hostile environment, violence, illegal activity in or around the vicinity of the painting, and destructive and/or abusive behavior on the part of any person or pet attending.

Artwork: The artists reserve the right to not paint subject matter than is offensive, objectionable and/or disturbing. When in a public venue, the artists will only paint portions of the body that can be lawfully exposed in public. In private, the artists reserve the right to not paint any areas of the body they don't feel comfortable painting.

Photography: The artists may desire to take photographs of their artwork for their portfolio, their professional Facebook page, their website and/or other business usage of MetamorFaces. In this instance, the artists may bring individual photo release forms for parents to sign or just ask for their verbal approval. If you would like to grant the artists permission to do this, please initial _____.

Lines: If there is a long line and the closing time is near, the artists will paint or write numbers on hands or hand out numbers to the persons in line and will place a sign on the last person to stop the line. This will be done about 30 minutes before closing time. Everyone with a number will be painted. Anyone requesting a touch-up will be required to go the end of the line and this touch up will be done only if time allows it. For a large event, the client may find it beneficial to fund an assistant to manage the line of people waiting to have their faces painted. For an additional fee of \$30 per hour MetamorFaces may be able to obtain the services of a qualified assistant. The presence of an assistant allows the artists to concentrate fully on the fantasy makeup process, and thus maximizing the number of faces painted. Place your initials here if you want to fund this extra help: _____.
